

## From the Nominating Committee for the NESSFTA

Note to delegates:

The Nominating Committee will be asking that the delegates vote on the selection of the 1st Vice President between Gary Wilson or Mike Wallace. 1st Vice President will host the 2018 NOC. Both have put on good National Championship trials in the past.

Gary cannot start a trial in his location after November 13th. Mike proposes to start the trial at his location after Thanksgiving which is November 22nd. Both Gary and Mike will be available to discuss specifics of their proposal and the effects of the starting dates. 2015 minutes show a proposal by Skip Smith approved which may conflict with starting the Trial before November 15th.

This decision by the delegates may have an effect on the 2017 NOC dates also.

We suggest that delegates discuss these ideas with their membership before the delegates
