

Handler Instructions

Welcome to the National!

1. Tap to send.
2. Honour – show me the dog is steady, don't interfere with Bracemate.
3. Don't go questing on Bracemate's Course.
4. Take all moving birds on your side of the course.
5. If you need to handle on a retrieve, please do not move yourself towards the retrieve without consent.
6. Please ensure you understand where the fall is prior to handling.
7. On moving birds, gun will move in to position next to you and stay even with you.
8. Any questions?
