

“Southern Comfort” Spaniel Hunt Test

January 28 & 29, 2017

*H. Cooper Black Memorial Field Trial and Recreation Area
Cheraw, SC*

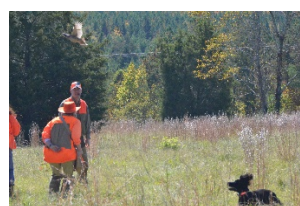

Please join the members of the new AKC Performance Events Club, the **Waterree Spaniel Club**, for their inaugural major event – an AKC licensed Spaniel Hunt Test (AKC Events 2017696401 and 2017696402).

The Hunt Tests will be held at the H. Cooper Black Memorial Field Trial and Recreation Area near Cheraw, SC. These grounds are some of the most beautiful you will see in the south, covering 6000 acres of pine forests, rolling hills, gorgeous fields, and multiple lakes. This area is the setting for national level field trial and retriever competitions. The property has room for RV campsites with electrical and water hookups as well as many primitive camp sites.

We will have use each day of a very large clubhouse where coffee/breakfast and lunches will be served daily for a donation to the local springer rescue organization. A Saturday afternoon/evening pig roast will also be provided for a small fee. Included with the Saturday night dinner will be a raffle and/or silent auction with some great prizes.

Accommodations can be made at the Landmark Inn in Hartsville, SC which is about 35 minutes from the Cooper Black grounds. Mention Waterree Spaniel Club when making reservations.
