**NOTES:** Saturday rained ALL DAY - was cold but not bitter until winds started up around 3pm - Birds flew all day - great job by planters and gunners!!

Sunday was bitter cold with 50 mph winds all day - snow and hail on and off all day - with occasional glimpses of sun - we started @ 7:30 am with about 1-2" of snow on the ground and almost white out conditions with driving snow - that lasted about 30 minutes and came back at least 3 times. Bundling up was the name of the game on Sunday!! Gun was difficult but excellent!! Birds ran and flew - caused some issues with retrievers in the snow, but proved exciting.

Tribute to Ed and Esther Faraci was held at the banquet on Sat night - with 45 in attendance - a huge thank you for all their years of managing the Parent Club trial - which was handed off to Gary Wilson this year.

Long, wet, cold weekend - but dogs were pumped and having fun!!

**Thank you Bev Matthews!**

<b>NOTES:</b> Saturday was a gorgeous fall day, not much wind in the morning, but got better as the day went on - course was in heavier cover, caused some issues early on, but dogs all sorted themselves out. Sunday it rained all morning until early afternoon - then sun came out to finish 2nd series. Just as we headed into 3rd series, got another 20 minutes of showers, but birds flew all day. Weather forecast was for heavy showers, which seemed to have missed us - so not a bad weekend after all.	<b>Thank you Bev Matthews FT Secy!</b>
