<p>Notes: Thanks, Cheryl Sligar. Also From; Diane Zablit. We ran the trial in pretty high cover for the 1st &amp; 2nd both days. Some sections were taller than Cheryl, even taller than me, others less tall, but with good thickness. Lots of cockleburrs. The rain gods were kind, however, sparing the trial, but those of use driving home South ran into the eye of the storm. One of the funniest moments I've seen in trials happened, and one of the cutest: Dick Lane, one of our esteemed seniors, still running dogs at 86 years old, won the Amateur with his young female Dancer. In the 3rd series, Dancer hit a nest and started trailing a bird off the course. She was moving out and Dick was doing his best to keep up with her. At least twice he tried to whistle her back in, almost like calling her off it, and at least once the judge threw up his arms in frustration as he whistled her in. He did keep up with her and she produced the bird across a dirt path and Bob Sanchez shot it. After the judge tapped, Dick was apparently speechless and he just gave an arm signal to Dancer. She sat firm, looked at him like "are you going to send me?" Finally he gave another emphatic arm signal and blurted "GO!" Dancer went! We were hooting and jumping up and down in the gallery laughing. Later at the banquet I asked Dick if he had run out of breath, or what, and he said "I couldn't remember her name!"</p> <p>Diane Zablit</p>

Notes: From Pat Bramwell: We ran the Open yesterday in snow/sleet/rain. Very miserable conditions for humans but the dogs had a fantastic time. They looked like big puppies out there. Even tho the conditions were absolutely horrid (& 2 days before we had a temp of 60) the gunning was great & the bird production was even better. Amateur & Puppy was run today. Conditions were a bit better - at least no snow nor sleet. Had a slight drizzle most of the day. Snow was melting so we all suffered thru wet feet. <i>Note from a Judge; Seeing as how, Judges were from Canada &amp; Minn, It Really wasn't cold, but the Texas people, coming to the line in tennis shoes sure thought so :-&gt;</i>

Ran 1st & 2nd series on chukars and pheasants. 3rd series was all on chukars.

3rd	Shannon's Wild Irish Rose "Rose" O: Skip/Renee Shannon H: Gary Breitbarth
4th	Sundee's Cricket "Cricket" O/H: Alberta Whiting
Notes: From: Diane Zablit & Donna Giddens. Cover/birds/gunning was the best we've had for the CA Spring circuit: Green grass undergrowth, dry thistle/sage sections. Knee-high to waist-high. We had dense sections of flopped over (or not) tulles in the Open on Sunday. The 3rd series course for the Open followed a tree line, with the left side a relatively open course, the right side past the trees thicker and rough. We had temps in mid-70s, sunny enough to cause lots of sunburns, but constant cool wind Sat to bring temps down. Sunday started still, very warm & humid, but then clouds rolled in and breeze kicked in around 10:00 am. Scenting was average. The birds were exceptional, especially for Spring.

Notes: Thank You: Submitted by Larry Yost - FTS. On Friday afternoon the 1st Series of the Open was greeted with high winds and blowing snow mixed with rain. However on Saturday and Sunday we had beautiful weather with sunny skies and moderate temps and breezes. The new "state of the art" Midlands Kennel was on display and free welcome to Nebraska hamburgers and "Sanchez" chile were featured at the "club rooms" at the front of the beautiful new kennel building on Friday evening. Saturday nights traditional "banquet" at Norma's City Cafe was held and Norma presented a special wedding pie to newly weds Rich and Jackie Borowiak.
