NOTES: Thanks; Debbie Schoene; The Minnesota Heartland English Springer Spaniel Club held a spring trial this weekend just west of Faribault MN. Luckily, the 6-10 inches of snow that had been forecast for the eve of the trial never materialized. The weather was sunny and cool; perfect for dogs and humans! Courses were brome fields bounded and bisected by treelines. The third series was held in a picturesque spot of hilly terrain overlooking a small lake. As usual, the club put on a good trial!
