<p>NOTES: From George Keiller "I'm sure the judges (Jason and Gene) had a tough time as there were many just really impressive performances. Marty's run with Jake was truly a classic. I don't believe Marty missed a single bird - including some doubles. However, Marty's first barrel was not as good as his second barrel which gave Jake some nice retrieves to show off with. Jake also showed a great pattern, had great bird finding, and produced some runners to add to the scene. There were many other just beautiful performances not far behind. "</p>	
Thank you Dave Jones and George Keiller!
