TO THE GALLERY...

Good sportsmanship demands first that the hunter kill the Game as quickly and cleanly as possible. He owes that to the Quarry. Secondly, good sportsmanship requires that the dog Retrieve all killed and wounded birds. A good dog is essential to the latter.

At our trials, you are privileged to see dogs work under Hunting conditions and witness the important part the dog Plays afield. You will be surprised with their skill and ability And especially with the enthusiasm they bring to their work. A Spaniel is a very happy dog.

Please do not applaud. Applauding or unnecessary noise of Any kind may run the chances of the handler and his or her Dog. We would appreciate your being as quiet as possible While our dogs are working as this field trial is for classic Trophies, which are on display.

Please cooperate by staying behind the Field Marshal and to The center of the course.

Dogs not competing must positively be kept off the course. All dogs must be on a leash when not running in a stake.

To those spectators who wish training information or who are Interested in English Springer Spaniels, we want to extend an Invitation to raise your questions with any owner or handler. We love our sport and enjoy talking about it. ENJOY the Trial!
