Dear Field Trial Handlers:

The NMESSC spring trial will once again be held April 21, 22, 2018 at Hunts Point near Pequot Lakes, MN just 15 miles north of Brainerd. There are many hotels in the Brainerd lakes area and the headquarters hotel will be the Country Inn and Suites in Brainerd.

Our all age judges are Peter Renwick from New Jersey and Todd Agnew from Georgia. Puppy judges are to be determined Dan Murray from North Dakota and David Huth from Minnesota

NMESSC will be having a youth stake open to all youth 18 or under running any age dog. Dogs will be required to be steady and will run much like a puppy stake. This stake is not sponsored by AKC. Please register for this stake as well

Hunts Point will be providing luncheon meals in their clubhouse on the grounds for a modest fee and yes there will be an evening meal(banquet) planned to start around 6:00 in the club house as well.

The attached sheet includes motels in the area. Hunts Point is our field trial headquarters.

Enclosed is your premium for the trial.

Best regards,

Sophie Haglin, FTS
